

This waiver pertains to the University of British Columbia Let's Talk Science High School Symposium entitled 'Let's Talk Bio-Engineering' on May 27th, 2016, hosted at the University of British Columbia, Vancouver.

Student's Full Name: _____ Male / Female (please circle)
School: _____ Educator's Name: _____ Grade: _____
Allergies or medical conditions? Yes/No (please circle) If yes, please list: _____
Food Allergies or Sensitivities? Yes/ No (please circle) If yes, please list: _____

I, the undersigned, am aware that my child is participating in the University of British Columbia Let's Talk Science High School Symposium. I hereby release and forever hold harmless the University of British Columbia, Let's Talk Science, all Student Organization Registrars, and all clubs and groups under their jurisdiction, from responsibility for lost or stolen property or bodily injury. I am responsible for my child's transportation to and from the event and I fully acknowledge that the University of British Columbia and Let's Talk Science will not be held responsible for my child's transportation home. I accept full responsibility for my child's actions and Let's Talk Science organization and the University of British Columbia will not be held liable for any injuries or distress sustained, in the unlikely event of an accident.

I understand the terms stated above, and I give permission for my child to participate in the University of British Columbia Let's Talk Science High School Symposium 'Let's Talk Bio-Engineering'.

_____ Parent/Guardian Name (Please Print)	_____ Parent/Guardian Signature
--	------------------------------------

I, the undersigned, agree that my child can be photographed/videotaped during the University of British Columbia Let's Talk Science High School Symposium. Please check the boxes you consent to.

For use by Let's Talk Science and supporters: I authorize that any images or videos of my child from this event may be used, in whole or in part, for educational or promotional purposes of Let's Talk Science and Let's Talk Science supporters and partners. This includes, but is not limited to, catalogues, brochures, posters, magazines, books, electronic newsletters, websites, public service announcements and social media pages for Let's Talk Science and Let's Talk Science supports and partners.

Due to the nature of this event, there is a possibility of local media interest, leading to newspaper, radio, and/or television coverage in which your child may appear or be featured. I authorize any images or video of my child for media coverage purposes.

Let's Talk Science will not publish full names of children alongside photos or in videos, and will remove identifying features (such as nametags etc.) from images before they are used.
